

# Join us for a walk-through of **Lower 24th Street's Proposed Tree Removals**

San Francisco Bureau of Urban Forestry invites you on a walk-through with the City's Urban Forester to review each ficus tree planned for removal along lower 24th Street, from Mission to Potrero streets.

The walk-through will be followed by a community meeting at Alley Cat Bookstore and Gallery where questions and concerns will be answered directly by Urban Forestry staff.
