Mangels Avenue Paving Notice

Mangels Avenue, Baden to Plymouth, St. Elmo Way, Miramar Ave.

Dear Mangels Avenue Neighbor,

San Francisco Public Works has completed major construction activity in your neighborhood and will soon begin final roadway paving as part of the **Eureka Street, Grand View Avenue and Mangels Avenue Pavement Renovation, Sewer Replacement and Water Main Installation Project** (Contract No. 2504J).

Grinding and paving will be performed in phases starting the week of **July 16, 2018***.

During the **first phase**, you will see crews grinding the roadway to prepare it for final paving. Access to enter and exit driveways will be maintained at all times, however delays may be possible. Please check with crews on site if you need to enter or exit your property. Once grinding work is complete, you will be able to drive on the roadway per usual. Please use caution when entering and exiting the roadway and drive carefully.

During the **second phase**, crews will pave the roadway and apply temporary traffic striping.

Once full paving work is complete, San Francisco Public Works will inspect the newly paved roadway and once approved, final traffic striping will be applied by SFMTA.

Anticipated Paving Sequence* (map on reverse)

Phase 1

07/16/18 to 07/17/18: Grind Hazelwood to Foerster

07/18/18: Grind Baden to Foerster, Hazelwood to Plymouth, Miramar and St. Elmo

Phase 2

07/19/18 to 07/20/18: Paving of Mangels Avenue from Baden to Plymouth, St. Elmo Way and Miramar Ave.

Impacts and Restrictions

Street parking is prohibited in the work area during posted work hours. Street parking will be re-opened to the public each day once crews have completed grinding or paving activity in that area.

Access to private or commercial buildings/garages and pedestrian pathways will be maintained at all times, however delays may be possible. Please follow instructions from crewmembers on site if you need to enter or exit your property during posted work hours.

“No Parking/Tow Away” signs will be posted 72 hours in advance of work starting with project work hours and parking restrictions. Please observe posted no parking hours and traffic signage and allow extra travel time in case of traffic delays during construction. **Vehicles parked in the construction zone during posted work hours will be towed at the vehicle owner’s expense.**

General Work Hours**

Monday - Friday: 8 AM - 5 PM

Saturday: 8 AM - 5 PM

We thank you in advance for your patience during construction and as we work to complete these much needed infrastructure improvements.

We apologize for any inconvenience construction activity may cause. For the latest project information and updates, please visit: **www.sfpbpublicworks.org/2504J**

***Please Note:** Construction scheduling and sequencing is subject to change due to rain or other weather delays, equipment breakdown, and/or unforeseen field conditions. Please see posted “No Parking” barricades for exact parking restrictions or visit www.sfpbpublicworks.org for the latest project updates and information. Parking restrictions may vary per block.

****Please see posted “No Parking” signs for restricted parking hours, which may differ from general work hours.**
