

NOTICE OF CONSTRUCTION

FILBERT AND LEAVENWORTH STREETS PAVEMENT RENOVATION AND SEWER REPLACEMENT

Contract Number 2731J

NOVEMBER 2017

*****30-Day Notice*****

PURPOSE OF WORK

Sewer & Street Reconstruction: The City & County of San Francisco has an ongoing program of replacing aging sewer mains with new vitrified clay sewer mains. The old pipes have been videoed internally and are cracked and/or broken. Replacing these pipes now will prevent possible collapse of the sewer mains and pavement in the future. Sewer service will not be interrupted during the construction.

PROJECT DURATION

Under management and supervision of the San Francisco Public Works, the contractor will begin construction at the first location in December 2017, with completion at the last location in March 2019. You will receive a follow-up notice informing you construction is scheduled to begin on your block about 10-days in advance.

Traffic Impact

Traffic may be temporarily delayed at times as a result of intersection and lane closures necessary to perform the work. Streets will be posted 72 hours in advance of work, with "No Parking / Tow Away" signs to alert the public of the construction and parking restrictions. Vehicles parked on the street during construction work hours will be towed at the vehicle owner's expense. Access to driveways will be maintained at all times however delays may be possible while crews create a path for your vehicle. Please allow extra travel time during construction. Sidewalk access will be maintained at all times.
