**30 DAY NOTICE OF CONSTRUCTION**

September 16, 2019

Dear Jefferson Street Neighbors/Businesses,

This notice of upcoming construction is to inform you that the Jefferson Streetscape Improvement Project - Phase II is anticipated to begin construction activity starting in mid-**October 2019**, shortly after the conclusion of Fleet Week activities. Construction is anticipated to continue through the end of summer/early fall 2020.

The project limits will be **Jefferson Street** from **Jones Street** to **Powell Street** in San Francisco, California.

Construction activity will consist of pavement renovation, sewer and drainage work, watermain installation, electrical and traffic signal work, site improvements, landscape work, traffic control and all associated work.

If you have specific concerns (i.e. scheduling business deliveries, construction inquiries, accessibility needs, etc.), please contact the Mitchell Engineering or San Francisco Public Works representative listed below for further assistance.

We thank you in advance for your understanding, cooperation and patience as we work to make these much-needed infrastructure improvements to San Francisco and apologize in advance for any inconvenience caused by construction activity.

Additional project updates and information is available on the project webpage, where you may also sign up for project email updates: [www.sfpublicworks.org/jefferson](http://www.sfpublicworks.org/jefferson).
