

## THE PROJECT

An installation of 8ft concrete letters clad in glass and ceramic mosaic tiles, and surrounded by local wildflowers, will welcome us home to the Bayview.

## CREATED FOR BAYVIEW, BY BAYVIEW

Using ceramic and glass material sourced and donated by Bayview residents, visual artist Nate Watson will lead a team of artists and community members in the creation of a monumental mosaic gateway.

All Bayview Residents are Encouraged to be a part of this!!!

# HELP CREATE THE BAYVIEW GATEWAY

All who come to learn and participate in the sample tiles are eligible to join the team of artists executing the actual Bayview Gateway Project on Third Street! **For more info visit [bayviewhillsf.org/bayviewgateway](http://bayviewhillsf.org/bayviewgateway)**
