September 1, 2016

Mark J. Arsenault
Vice President and Group Manager
Recology
250 Executive Park Boulevard, Suite 2100
San Francisco, CA 94134

Dear Mr. Arsenault,

Thank you for your letter dated August 25 2016 on proposed uses for the remaining balances of the Tier 3 and 4 Zero Waste Incentive Funds. At the end of Fiscal Year 15/16, Recology did not meet its diversion targets. As approved in the 2013 Director's Order, Recology can propose to use unearned incentive funds on projects to increase diversion.

On January 29, 2016, I reviewed and approved an improvement project for the Recycle Central Facility, finding that it met the requirements set out in the 2013 Director's Order. Recology is now requesting to use the Fiscal Year 15/16 unearned Zero Waste Incentive Funds of \$3,200,550.50 and the remaining balance of \$215,855 in unspent funds from the previously approved Textile Diversion Pilot Program for improvements to the Recycle Central Facility

I approve the use of the remaining \$3,416,405.50 in Tier 3 and 4 Zero Waste Incentive Funds for the Recycling Central Facility Improvements.

Sincerely,

Mohammed Nuru
Director
San Francisco Public Works
