Folsom Streetscape Project

contract #29551

Project Description

Dear Neighbors,

SF Public Works has hired Mitchell Engineering to perform vital infrastructure improvements along **Folsom Street between 2nd Street to 11th Street**. The Folsom Streetscape Project beginning in May of 2024 has an overall duration of 2-years, 7-months (950-days) however, it will be divided into three (3)-segments to help minimize impacts along the entire corridor.

The project scope of work consists of sewer and water replacement, curb ramp reconstruction, pavement renovation landscaping, street lighting, and traffic signals.

Starting in June 2024, crews will prioritize working in the segment of Folsom Street from 11th St to 8th.

We are aware of the inconvenience caused by construction and apologize in advance. We will do everything possible to minimize the impact of our activities on your neighborhood. If you have concerns (scheduled deliveries, construction questions, accessibility needs, and access) please contact the Public Works representative below. Together we will do everything possible to find a mutually agreeable solution.

Your cooperation will help this project be a success for your neighborhood and the City of San Francisco. Thank you in advance for your understanding and cooperation.
