Subject: As-Needed Sediment Characterization and Coastal Engineering Consultation Services (ASQ 2022) - Contract Awards

Director's Recommendation: Award Professional Services Contract, As-Needed Sediment Characterization and Coastal Engineering Consultation Services (ASQ 2022) in the amount of \$900,000 each for 1,825 calendar days to Northgate - AGS Joint Venture, Anchor QEA, LLC, and NewFields Companies LLC (three separate contracts to three separate contractors) for sediment characterization and coastal engineering consultation services.

Contract Background: The work to be done under this contract consists of sediment characterization and coastal engineering consultation services. The scope of work may include but is not limited to the following: preparation of sampling and analyzing plans pertaining to sediments, soils, water quality in marine, freshwater, land, and wetland environments and ecosystems; collecting and analyzing samples; preparation of environmental regulatory plans and documentations; managing collected sample data; interacting with regulatory agencies; implementation of approved plans; and Quality Assurance/Quality Control (QA/QC) review. Consultant may be required to provide the requested services for an entire project or for a portion of a project or for any project phase. This type of consultant services has been provided in the past.

Solicitation Process: On November 9, 2022, San Francisco Public Works advertised the Request for Qualifications (RFQ) for As-Needed Sediment Characterization and Coastal Engineering Consultation Services (ASQ 2022). Public Works sought to award four contracts with an anticipated not-to-exceed contract amount of \$900,000 each with a contract duration of 1,825 calendar days. The Contract Monitoring Division (CMD) established 20% Local Business Enterprise (LBE) subcontracting requirement for this agreement.

On January 11, 2023, Public Works received three proposals. City staff reviewed all proposals and determined that all three proposals meet the minimum qualifications.

The proposals were then evaluated and scored by a panel comprised of individuals knowledgeable on the subject matter.

Optional oral interviews were cancelled.

Proposer Northgate - AGS Joint Venture achieved the first highest final score.

Proposer Anchor QEA, LLC achieved the second highest final score.

Proposer NewFields Companies LLC achieved the third highest final score.
