Any changes to approved Sidewalk Repair Permit	\$73.00 fee

Sidewalk and Curb Replacement (including driveway and/or existing encroachments):

- A property owner must hire a **California State Licensed Contractor (A or C-8) with a \$25,000 City Street Excavation Bond** before applying for a Street Improvement (IE) Permit. This bond is required for the excavation of the roadway that results from replacement of an existing damaged curb. Please note that without a licensed bonded contractor, a permit cannot be processed or issued.
- **Street Improvement Permit: \$722.** This non-refundable base fee includes processing, 20' of street space occupancy for contractors, minimum two (2) hours inspection (additional fees may apply) and a **\$9.00** Board of Appeals surcharge. Any changes in approved Street Improvement permit shall be subject to additional fees. If expired, the permit is null and void.
- For repair of sidewalks above or adjacent to existing sub-sidewalk basements, or other encroachments, the following permits and non-refundable fees shall apply.
 - Street Improvement permit base fee: **\$722.00**
 - Minor Sidewalk processing fee ((existing encroachments ONLY): **\$211.00**
 - Board of Appeal surcharge: **\$10.00**
 - Annual assessment fee: **\$5.25 / square foot** of encroachment

If the existing sub-sidewalk basement requires any structural work or upgrades, a building permit must be applied for prior to applying for the Street Improvement and Minor Sidewalk Encroachment Permits.

- For existing encroachments that do not require reconstruction or modification, a Minor Sidewalk Encroachment permit is required. The non-refundable processing fee is **\$211.00** with a non-refundable **\$10.00** Board of Appeals surcharge. In addition, an annual assessment fee of **\$5.25 / square foot** per year may be required.
- For any other permits that may be required by BSM inspector or to answer any questions about the **permit process**, please call our office at (628) 271-2000 and ask to speak to an available plan checker. Please have your NTR number and/or property address available.
- For any questions about the **inspection process** (e.g. 30-day extensions, existing defects, colored dots etc.), please call the above number and ask for an available inspector, or you may call or email the District Inspector whose name, phone number and email address appears at the bottom of your NTR.
