

**PHASE I – Streetscape Infrastructure**  
(Transbay Block 3 Park and Streetscape Improvements Project)

**Anticipated Construction Bid Advertisement: end of May 2024**

San Francisco Public Works anticipates the construction bid advertisement phase of the Office of Community Investment and Infrastructure’s (“OCII”) Phase I – Streetscape Infrastructure (Transbay Block 3 Park and Streetscape Improvements Project) to happen at the end of May 2024.

The Phase I – Streetscape Infrastructure (Transbay Block 3 Park and Streetscape Improvements Project) construction will include the following scope of work:

- New Clementina Street between Main and Beale Streets including new utilities
- New signalized crossings at intersections of Clementina Street
- Widening of sidewalks along Main Street and Beale Street
- Relocation of a waterline on Main Street

*Public Works is committed to the Small Business Enterprise Program and the participation of SBEs in contracting opportunities for the Phase I – Streetscape Infrastructure (Transbay Block 3 Park and Streetscape Improvements Project). It is the intent of Public Works to create a level playing field on which SBEs can compete fairly for contracts and subcontracts. Small Business Enterprises (SBEs) are strongly encouraged to participate in this Contract. The Contractor will be required to ensure that SBEs have the opportunity to participate in this Contract and to take all necessary and reasonable steps for this assurance.*
